Primate Freedom Project P.O. Box 6219 Santa Barbara, CA 93160

To Whom It May Concern:

I am a Primate Freedom Tag-Wearer for 312E, a male rhesus macaque in the University of Minnesota.

I have enclosed two response letters, which I have received so far. My replies have been mailed out, and I hope I get more extensive feedback. But I won't give up! Thanks for all you do for the animals. I'm behind you all the way!

Sincerely,

Sheena Laidlaw
