Primate Freedom Project
P.O. Box 1623
Fayetteville, GA 30214

Dear Primate Freedom Project:

After receiving a Primate Freedom Tag, I wrote to the National Primate Research Center, University of Wisconsin-Madison concerning a male rhesus macaque, ID #1890. Being told that I needed to resubmit my request for information using the Freedom of Information Act, I did so, and received the enclosed as a result. Hope this helps.

Yours,
