Re: Rhesus Monkey Serial No. R95065-M (8-2-95)
and Stump macaque Serial No. 893052-M (7-14-93)

Dear Mr. Kemnitz:

This is a request under the Freedom of Information Act (5 U.S.C., 552), as amended.

I am writing to request any information or documents you may have concerning the above-mentioned primates at the WRPRC, specifically including, but not limited to, the following:

1. Are these primates still alive?
2. How are these primates being used (abused)?
3. Are these primates caged alone? If not, with how many others do they reside?
4. What are the future plans for these primates?
5. What information is hoped to be reached by experimenting on these primates?
6. Who is in charge of the experimentation on these primates?
7. When these primates are no longer of service to your facility, what will become of them?

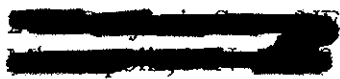

I ask that my request be expedited, inasmuch as it is being made in the public interest. As you know, the applicable law requires that you comply with my request within ten (10) days, not with a formulaic response acknowledging receipt of my letter, but actually acting upon my request.

Thank you.

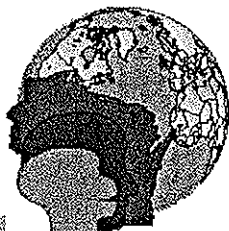

Very truly yours,

Lori J. Korell
